Dear Ms. Brazile:

I am in receipt of the Notice of Violation-TN Individual Construction Permit Tracking Number: TN0081787 received in my office on Monday, November 7, 2016. By way of this letter, I am acknowledging that I take the violations outlined in your communication very seriously. I have scheduled to meet with all parties who have responsibility for maintaining our construction permit. We will immediately begin to review the required actions and take the necessary steps to correct the violations noted.

I understand that to bring the site into compliance, the identified violations must be corrected within seven (7) days. Further, I understand that by November 30, 2016, all twice-weekly inspection reports conducted September through November 2016 for the Collierville High School Construction project must be submitted. In addition, by November 30, 2016, I will submit a detailed written response and photo record describing corrective actions taken and measures implemented to prevent the recurrence of these violations.
